

Corporate governance report

Episurf Medical AB is a Swedish public limited company that is domiciled in Stockholm. The share has been traded on Nasdaq Stockholm since 11 June 2014. In a limited company like Episurf Medical, governance, management and control are divided between the shareholders, the Board of Directors, the CEO and the executive management in accordance with the applicable laws, rules and instructions.

THE COMPANY’S CORPORATE GOVERNANCE is regulated by the Articles of Association, the Swedish

Governance structure

Companies Act, Nasdaq Stockholm’s Rules for Issuers, which include the Swedish Corporate Governance Code (the Code), and other applicable laws and rules.

Episurf Medical’s Articles of Association can be downloaded from the company’s website (www.episurf.com). Episurf Medical complies with the Code with effect from the listing on Nasdaq Stockholm’s main market. The Code is based on the “comply or explain” principle. This means that a company that applies the Code may deviate from individual rules in the Code, but must explain the reasons for doing so. The Code must be applied in full in connection with the first annual general meeting after the year after listing.

Episurf Medical complies with the Code with deviation for the audit committee. This deviation is explained in detail below. Since the time of listing, the company has not committed any violations of Nasdaq Stockholm’s Rules for Issuers or generally accepted practice in the stock market.

1 Share and shareholders

Episurf Medical’s shares are issued in two classes, class A and class B. The class B shares are traded on Nasdaq Stockholm with the ticker symbol EPIS B. Prior to this, the company’s shares began trading

on Nasdaq Stockholm First North on 15 August 2011. Each class A share carries the right to three votes at a general meeting and each share of class B carries the right to one vote at a general meeting. Shares of class A can be freely converted to class B. The total number of shares at year-end 2018 was 31.631.169, of which 5.221.662 were class A shares and 26.409.507 were class B shares. The total number of votes amounted to 42.074.493.

The number of shareholders at year-end was 3.478 (3.070). The ten largest shareholders in Episurf Medical in terms of voting power held shares corresponding to 46.3 per cent (48.0) of the share capital and 58.5 per cent (61.7) of the votes. The largest shareholder, Serendipity Ixora AB, held shares corresponding to 14.6 per cent (15.3) of the share capital and 32.8 per cent (32.3) of the votes. For further information about the share, shareholders and ownership structure, see pages 35–37 of the annual report.

2 General meeting of shareholders

The general meeting of shareholders is the company's highest decision-making body and, according to the Articles of Association, shall be held yearly within six months after the end of the financial year. Shareholders who are recorded in the share register five days before the general meeting and who provide notification of attendance in the correct manner have the right to participate.

Notice of attendance shall be made to the company no later than the date stated in the notice of meeting. All shareholders who are recorded in the share register on the record date and who have given notice of their attendance on time have the right to attend the meeting and vote the total number of shares held. Notice of general meetings shall be given through an announcement in the Post- och Inrikes Tidningar (the Official Gazette) and through publication on the company's website. At the same time, an announcement that notice has been given shall be published in Dagens Industri and on the company's website (www.episurf.com).

At the Annual General Meeting (AGM), the shareholders elect the Board of Directors and, when appropriate, the auditors. The AGM also resolves on matters such as principles for appointment of the nominating committee, discharge from liability for the Board of Directors and the CEO, adoption of the annual report, appropriation of earnings, fees for the Board of Directors and auditors, and guidelines for remuneration to the CEO and other senior executives.

Notices, Minutes, communiques and other materials related to general meetings are published on the company's website.

It is the General meeting which decides on amendment of the Article of Association.

AGM 2018

The AGM on 8 April 2018 passed the following resolutions:

- » To adopt the income statement and balance sheet.
- » To appropriate the earnings according to the Board's proposal in the annual report.
- » To grant the Board of Directors and the CEO discharge from liability for the past financial year.
- » The Board of Directors shall comprise of five ordinary members with no deputy members.
- » To pay a fixed board fee of SEK 100.000 to each member of the Board, however that Wilder Fulford and Laura Shunk, shall receive an annual fee of SEK 200.000 and the Chairman of the Board of Directors shall receive an annual fee of SEK 400.000. the total is therefore SEK 1.000.000. No fees paid for work on the Board's committees. It was proposed that fees for the auditors be paid according to approved account.

- » To re-elect Laura Shunk, Leif Ryd, Christian Krüeger, Dennis Stripe and Wilder Fulford as members of the Board of Directors for the period until the end of next annual general meeting. It was further resolved to re-elect Dennis Stripe as chairman of the Board of Directors.
- » To re-elect the authorised public accounting firm KPMG AB as the company's auditor for the period until the end of the next annual general meeting, with Duane Swanson as auditor-in-charge.
- » To Adopt the procedures for establishing the nomination committee for the 2019 annual general meeting in accordance with the proposal of the nomination committee.
- » To adopt the guidelines for remuneration to the senior management in accordance with the proposal of the Board of Directors.
- » To Authorise the Board of Directors to resolve on new issues of shares for the period until the 2019 annual general meeting.
- » In accordance with the proposal by the Board of Directors, the Meeting resolved on (i) adoption of an employee stock option and warrant programme, (ii) an issue of warrants of series 2018/2021(A), and (iii) an issue of warrants of series 2018/2021(B) and approval of transfers of warrants of series 2018/2021(B).

Extraordinary general meeting 2018

The extraordinary general meeting on 7 December 2018 resolved to approve the Board of Director's resolution on a directed new share issue of series B, and a directed new issue of warrants of series 2018/2020.

AGM 2019

The 2019 AGM will be held in Stockholm on 8 April 2019. The notice of meeting was made public through a press release and announcements in Post och Inrikes Tidningar and Dagens Industri, as well as published on Episurf Medical's website.

3 Nomination committee

Ahead of the AGM, the nominating committee shall put forward proposals for the number of Board members, the composition of the Board, fees to the Board of Directors, the Chairman of the AGM and of the Board, and when appropriate, proposals for election of an auditor and auditing fees. The 2018 AGM resolved on principles for Episurf Medical's nominating committee that shall apply until changed by a future general meeting, according to the following:

- » The nominating committee shall have four members. The three largest shareholders in the company in terms of voting power in the company at 31 August the year before the year in which the AGM is held shall each have the right to appoint a member to the nominating committee. The Board Chairman shall also be appointed as a member of the nominating committee. The CEO and other members of the executive management shall not be members of the nominating committee.

Members of the nomination Committee ahead of 2019 AGM

Dennis Stripe, Chairman of Episurf Medical AB

Saeid Esmaeilzadeh, Representing Serendipity Ixora AB

Peter Ragnarsson, Representing LMK Stiftelsen

Leif Ryd, Representing Gile Medicinkonsult AB

Saeid Esmaeilzadeh has been appointed chairman of the Nomination Committee.

The work of Nomination Committee

- » By 15 October, the Board Chairman shall convene the largest shareholders in the company. If any of these should waive its right to appoint a member to the nominating committee, the next largest shareholder in order of voting power shall be given the opportunity to appoint a member.
- » The composition of the nominating committee shall be made public no later than six months before the AGM.
- » The Board Chairman shall convene the first meeting of the nominating committee. However, the Board Chairman shall not be appointed as chairman of the nominating committee.
- » If it becomes known that any of the shareholders that have appointed a member to the nominating committee is no longer one of the largest shareholders, due to changes in the shareholder's holding or as a result of changes in other shareholders' holdings, the member appointed by the shareholder, if the nominating committee deems it appropriate, shall resign and be replaced by a new member who is appointed by the shareholder which at that time is the largest registered shareholder that has not already appointed a member to the nominating committee. If the registered ownership conditions are otherwise significantly changed before the nominating committee has completed its work, and if the nominating committee deems it appropriate, the composition of the nominating committee shall be changed according to the above principles.
- » The nominating committee's mandate period extends until a new nominating committee has been appointed.
- » The Chairman of the Board shall annually present an evaluation of the Board's work during the year for the nominating committee, which should be the base for the work for the Nomination committee together with the requirements of the Swedish code and specific requirements of Episurf Medical AB. The nominating committee's proposals are published in the notice of the AGM, on the company's website and at the AGM.

Nomination Committee meetings

Nomination committee for the AGM 2019 has held two meetings. No fees have been paid for work on the nominating committee.

4 Board of Directors

Episurf Medical's Board of Directors consists of five members elected by the AGM, with no deputies. The members of the Board are elected by the AGM to serve for the period until the company's next AGM. The 2018 AGM elected the Board according to the table below, which also shows fees, independence, etc. According to the Articles of Association, the Board shall consist of at least three and at most eight members. The CEO is not a member of the Board.

Independent

The company's Board of Directors has been assessed to meet the independence requirements, as four of the five members elected by the AGM are independent in relation to the company and its management and five of the five members are independent in relation to major shareholders. Leif Ryd is not deemed to be independent in relation to the company and its management as he currently active as a consultant in the company. One Board member is a woman, but in accordance with the Code. the Board intends to strive for a more even gender distribution on the Board.

The Board's work and responsibilities

The Board of Directors establishes the company's goals, strategies, budget and business plan. The Board is responsible for the company's organisation and administration and for ensuring the quality

of its financial reporting and internal control. Furthermore, the Board shall examine and approve the financial reports and establish significant policies and regulatory systems. The Board shall also resolve on decisions outside the scope of day-to-day management, such as major investments and changes. The Board shall monitor the company's operations based on the established goals and guidelines. This work is governed by the Swedish Companies Act, the Articles of Association, the Code and the Board's procedural plan.

Every year, the Board shall hold an inaugural meeting immediately following the AGM. The inaugural meeting shall among other things appoint the company's authorised signatories and shall review and adopt the Board's procedural plan. The company's Board meetings shall normally deal with the company's financial situation and matters of material importance to the company. The CEO reports continuously on business plans and strategic issues. According to the Board's procedural plan, the Board is a quorum when at least three of its members are present.

Composition of the Board

Name	Function	Born in	Elected in	Fees (SEKm)	Meeting attendance	Independent	
						From the company	From shareholders
Dennis Stripe	Board Chairman	1957	2016	0.4	17/17	Yes	Yes
Christian Krüeger	Board member	1966	2016	0.1	16/17	Yes	Yes
Laura Shunk	Board member	1957	2017	0.2	17/17	Yes	Yes
Leif Ryd	Board member	1949	2009	0.1	17/17	No	Yes
Wilder Fulford	Board member	1958	2016	0.2	17/17	Yes	Yes

Pursuant to the Swedish Companies Act, Episurf Medical's Board of Directors has adopted a written procedural plan for its work. The now applicable procedural plan and CEO instructions were adopted at the inaugural Board meeting on 6 April 2018. The procedural plan among other things regulates how the Board shall conduct its work and which matters are to be dealt with by the Board. The procedural plan also regulates how the Board is to be continuously provided with information and financial reporting by the CEO.

The Board in its entirety takes part in matters related to auditing, including monitoring and evaluation of the audit process, quality assurance of the company's financial reporting assessment of reports from the independent auditor and review of the auditors' independence from the company, including the scope of any non-audit services provided by the auditor to the company. The Board has therefore not set up any audit committee. The Board shall annually review the Board's and the CEO's work and present it to the Nomination Committee.

Work of the Board in 2018

The Board held seventeen meetings in 2018. The Board members' attendance is shown in the table above. Each scheduled Board meeting followed an agenda and decision data was sent to the members of the Board ahead of each meeting. The CEO and certain other senior executives in the company have taken part in Board meetings in order to present reports. The Board has dealt with matters such as R&D, marketing plans and commercialisation of products, organization, risk and internal control, financial reporting and monitoring, financial position and investments. In 2018 the Board devoted special attention to issues related to marketing, sales and financing.

Evaluation of the Board's work was conducted in December 2018 and was presented written to the Board and the Nomination Committee in February 2019 and then orally for the Board

February 12, 2019. Evaluation of the Board's executive director Pål Ryfors, was conducted in February 2019.

Remuneration to the Board

Fees and other remuneration to the members of the board of directors, including the Chairman, are determined by a general meeting of the shareholders of the company. At the annual general meeting held on 9 April 2018, it was resolved that remuneration shall be paid with SEK 0.4m to Dennis Stripe, who was appointed Chairman of the board of directors and SEK 0.2m to Wilder Fulford and Laura Shunk and SEK 0.1m to Leif Ryd and Christian Krüeger, respectively. It was further resolved that no remuneration shall be paid for committee work. During the financial year 2018, the total remuneration to the members of the board of directors amounted to SEK 1.0m distributed in accordance with the table on page 52.

BOARD COMMITTEES

5 Remuneration committee

According to the Code, the members of the remuneration committee shall be independent in relation to the company and the senior executives.

The board of directors' remuneration committee continuously evaluates the remuneration to senior executives in view of current market conditions.

The Remuneration Committee currently consists of three members: Dennis Stripe, Christian Krüeger, Wilder Fulford, which are all considered to be independent in relation to the company and the senior executives. The remuneration committee's main tasks are to (a) prepare the board of directors' decisions on issues relating to compensation and other employment terms for the senior executives, (b) monitor and to evaluate current remuneration structures, remuneration levels and programs for variable remuneration to the senior executives and (c) to monitor and evaluate the outcome of variable compensation schemes and the company's compliance with remuneration guidelines adopted by the general meeting.

After the annual meeting 2018, the Remuneration Committee held two meetings.

Remuneration committee No. of meetings

Dennis Stripe 2/2
Christian Krüeger 2/2
Wilder Fulford 2/2

– Audit Committee

Episurf Medical deviates from the Code in that it has no specially appointed audit committee. Matters related to auditing are dealt with by the Board, pursuant to the Swedish Companies Act. Chapter 8. section 49 a. paragraph 2.

The Board's assessment is that Episurf Medical has no need for a separate audit committee in view of Episurf Medical's size and that audit-related matters are best handled by the entire Board.

6 Auditors

The independent auditor is appointed at the AGM to examine the company's financial accounts and the administration of the company by the Board of Directors and the CEO.

Auditor

The 2018 AGM elected the auditing firm of KPMG AB as the company's independent auditor to serve until the end of the 2019 AGM. Auditor in Charge is Authorised Public Accountant Duane Swanson. Duane Swanson, born in 1959. is an Authorised Public Accountant and a member of FAR. KPMG AB's office address is: Vasagatan 16, 101 27 Stockholm, Sweden.

7-8 CEO and executive management

The Board appoints the CEO. The CEO oversees the company's operations, supervises its day-to-day management and is responsible for ensuring that the Board is provided with the information necessary to discharge its duties.

The CEO is not a member of the Board. The CEO presents reports to the Board and takes part in meetings, except for when the CEO is evaluated, at which time the Board meets with the auditor without the presence of the executive management, or if the Board so decides. The segregation of responsibilities between the Board of Directors and the CEO is described in written CEO instructions that are subject to yearly revision.

The CEO appoints the members of the executive management. The role of the executive management is to drive business operations and monitor the company's development.

At the beginning of 2018 the executive management consisted of Pål Ryfors (CEO), Veronica Wallin (CFO), Jeanette Spångberg (COO), Fredrik Zetterberg (Marketing Director), Göran Martinsson (Sales Director) and Ladan Amiri (Head of Quality & Regulatory affairs).

Ladan Amiri left the Company during the year and Katarina Flodström was appointed Chief Regulatory Officer, quality affairs and intellectual property in June 2018.

Remuneration to the CEO and management

THE COMPANY'S AGM ON 9 April 2018 resolved to implement the following guidelines for remuneration to senior executives for the period until the 2019 AGM.

Remuneration and terms of employment for senior executives, by which is meant the Chief Executive Officer, the Chief Financial Officer, the Chief Operating Officer, the Chief Regulatory Officer, Regulatory affairs, Quality affairs and Intellectual property, the Sales Director and the Marketing Director December 31, 2018, shall be designed to ensure the company's access to executives with the right expertise. This remuneration shall consist of basic salary, possible variable remuneration, incentive programs and other benefits including a company car and pension contributions. The remuneration shall be market-based and proportionate to the executive's powers and responsibilities. Any variable remuneration shall be related to established, well-defined targets and to the basic salary, and shall be limited to a maximum amount equal to six months' salary (gross).

Episurf Medical's pension policy is based on an individual occupational pension in a maximum amount equal to 30 per cent of basic salary. The company has a term of notice of no more than six months. Other remuneration and benefits, such as company car, shall be market-based.

The Board is given the opportunity to deviate from the above guidelines in individual cases where there is special reason to do so. In such case, information and the reasons for the deviation shall be reported at the next AGM. Aside from the CEO, no other senior executive or other employee is entitled to termination benefits.

On 25 February 2015 the Board decided to appoint a remuneration committee and it currently consists of Dennis Stripe, who is also chairman of the committee, Wilder Fulford and Christian Krüeger.

Remuneration to other senior executives is negotiated with the CEO and must be approved by the Board Chairman.

Incentive programmes

See more information about Episurf Medicals incentive programmes in note 9.

Internal control

AS STATED IN THE SWEDISH COMPANIES ACT AND THE CODE, the Board of Directors is responsible for ensuring that the company has satisfactory internal controls, for staying informed about the company's internal control system and for assessing the effectiveness of this system. Episurf Medical's internal control work can be divided between the control environment, risk assessment, control activities, information and communication, and monitoring. Episurf Medical's internal audit is handled by the Board of Directors, the CEO and the CFO, but in view of the company's size this is deemed to meet the requirements placed on the company. On a yearly basis, the Board evaluates the need to set up an internal audit function.

Control environment

Episurf Medical has established a control environment that consists of an organisation with defined decision-making paths, powers and responsibilities. This is governed by policy documents such as the Board's procedural plan, instructions for the CEO, risk management policy, the company's information policy, authorisation procedures and other guidelines and instructions. These are reviewed yearly.

Risk assessment

The Board of Directors has ultimate responsibility for risk assessment. On a yearly basis, the company evaluates risks and strives to achieve a high level of risk awareness among the employees. The main identified risk areas are financial reporting, operational risks and legal risks.

Control activities

The Group's business processes include financial controls to avoid errors and mistakes. In order to enter into agreements, pay invoices and similar, an employee must follow defined decision-making paths and authorisation procedures.

Information and communication

Episurf Medical has been listed since 2010 (at that time on the Aktietorget marketplace) and the company has long experience of external financial communication. The company has an organisation and routines to ensure the correctness and accuracy of the financial reporting. This work is governed by internal control documents that define who is responsible for what in order to ensure that the right information reaches the affected parties in the correct manner.

The company has a comprehensive information policy to safeguard high quality in the external and internal information and ensure that Episurf Medical meets the stock market's requirements for information disclosure. The aim is to convey information in confidence-building manner, externally and internally, so that knowledge and confidence in the company are upheld and enhanced. A separate control document contains routines for press releases, financial reports, general meetings, issues, the website, registration of insiders, handling of the logbook, etc. All reports and press releases are published simultaneously with publication on the company's website.

Monitoring

The Board of Directors monitors internal control to ensure that shortcomings are corrected and that good ideas are realized, among other things by evaluating the executive management's information.

Board of Directors

According to the Articles of Association, Episurf Medical's Board of Directors shall consist of at least three and at most eight members, with up to two deputies. The company's Board of Directors currently consists of five members, including the Chairman. All Board members are elected to serve until the end of the next AGM. Below is a presentation of the Board members with information about their year of birth, education, year of election to the Board, other current positions and shareholdings. Assignments in the Group are not stated. Shareholdings in the company include own direct and indirect holdings and related party holdings at 31 December 2018.

Dennis Stripe

Chairman of the Board since 2016

Shareholding 17,900 B-shares. 663 TO4B (warrants)
